

# Trainer

## Job Specifications;

Alpha Development partners with the world's leading financial services firms to deliver integrated learning solutions that make a real difference to our learners & their organisations.

We are always seeking talented faculty from a range of financial services backgrounds, as part of our diverse Associate Trainer team.

Our faculty covers four key areas:

- Financial markets – including Sales & Trading, Investment Banking, Operations, Risk, Compliance, Insurance, Private Banking, Commercial Banking. All from graduate to senior level.
- Leadership
- Sales and Relationship Management
- Professional Skills

Most of our faculty are based at our four hub locations (London, Singapore, Poland, New York) but our network extends far beyond this. If you believe you have the relevant practical industry experience and would like to find out more, please contact [recruitment@alphadevelopment.com](mailto:recruitment@alphadevelopment.com)
